

ONTARIO GOVERNMENT NOTICE
NOTICE OF STUDY COMPLETION and
Filing of Design and Construction Report
Highway 69 Detail Design from Highway 64 to Estaire
SECTION 2 – from Highway 637 to Trout Lake Road

The Ministry of Transportation (MTO) retained Totten Sims Hubicki (TSH) Associates to carry out a detail design study for the four-laning of Highway 69 from Highway 64 northerly to Estaire, a total distance of approximately 21.5 km. The study is being carried out in several sections. The detail design study for the second section, a 9 km distance from Highway 637 northerly to Trout Lake Road south of Estaire, is now near completion.

The proposed improvements include:

- Four-Laning of Highway 69 on new alignment;
- Construction of an interchange at Highway 637;
- Construction of a wildlife crossing over new Highway 69;
- Construction of a crossing under the new highway for wildlife and forest access;
- Providing access to Burwash Industrial Farm Road via old Highway 69; and
- Construction of two new Truck Inspection Facilities.

The project has been carried out as a Group 'B' project in accordance with the *Class Environmental Assessment for Provincial Transportation Facilities* and a Design and Construction Report (DCR) has been prepared.

The DCR is available for a **30-day public review period** at the following locations:
